# Successful case

Yushu 30kW photovoltaic off-grid

# Successful case

240kW photovoltaic toilet in Horqin, Inner Mongolia

Beijing 30kW photovoltaic off-grid

Qinghai 300kW photovoltaic off-grid

10kW photovoltaic off-grid in Hulunbuir, Inner Mongolia

# Successful case

Photovoltaic monitoring in Xigaze, Xizang

Hubei Photovoltaic off-grid sewage treatment

内蒙呼市光伏车棚

# Successful case

Xinjiang Hami 50kW optical storage and charging system

# Successful case

Optical storage and charging project

Specifications and configuration: Light plate 500kW  
energy storage 1000kWh charging pile 120kW fast  
charge \*4 sets

Application environment: Energy conservation project  
of a state-owned enterprise in Henan Province

# Successful case

Off-grid energy storage project

Specification configuration: Energy storage 525kWh

Application environment: Hubei Three Gorges Project
